2 Messrs Chitragar Lakshmiah & Son being the only firm who gave a tender for the work, the work is seems to have been entrusted to them.

3. The D.P.W have, as usual, sent a supplemental estimate for Rs 630 on account of Estabt., tools & plant charges under G.O No. 1629-33/Mny 128-23-8 dt 8-5-25, as the cost of the estimate being met entirely from the institution funds.

4. As this is not a work executed by the P.W.D, but entrusted to a private firm, and as the Department had not to supervise the work frequently, the D. Comr & the Mny: Comr recommend that the estabt., tools & plant charges ~~shall~~ may be waived in this case.

5. The reason assigned by the P.W.D for the levy of this charge is that the work had to be undertaken under the supervision of the Ex: Engineer - As the supervision is only nominal, the charge is recommended to be waived.

6. Submd. for orders as to whether the recommendation may be sanctd., after unofficial consultation of the D.P.W Secretary, if necessary.

To

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department.

Sir

With reference to Government Order No.367-8/Muz.55-2312 dated 5th September 1924 sanctioning the construction of a car for the use of the Sri Kalaseswaraswamy temple at Kalasa at a cost not exceeding Rs.6,000/- I have the honor to forward herewith a revised estimate for Rs.6,630/- received with correspondence ending with letter No.Muz.Work.42 of 25-26 dated 14th December 1925 from the Deputy Commissioner, Kadur (copy enclosed) and to state as follows.

2 After the construction of the car was sanctioned by Government the Deputy Commissioner recommended sanction to an additional sum of Rs.630/ for establishment, tools and plant charges. He was requested in this office No.C.126 of 23-24 dated 7th March 1925 to send up a supplemental estimate after the preparation of the car was finally approved by the Chief Engineer since the latter had stated that Messrs. Chitrapur Lakshmiah and Son were the only firm who had given a tender for the work and as the working details were not yet furnished by the firm.

3 In the meanwhile the Chief Engineer who was consulted Re: ~~expulsion~~ exemption of the establishment, tools and plant charges in this case (As provided in 5 (c) of Article 574 of the Mysore Account Code Volume III Part 1) replied in his letter No. 12169 dated 3rd March 1925 (Copy enclosed) that the charges had to be levied in accordance with Government Order No.1629-33/Muz.128-23-8 dated 8th May 1924 since the cost was ordered to be met from the institution funds.

4 The Deputy Commissioner in resubmitting the revised estimate for Rs.6,630/- states that the levy in this case does not seem to be ---- legitimate as the Public Works Department have nothing done beyond giving the contract and recommends that the charges might be waived.

In vies of the circumstance t at the car
and th's does not entail the constant supervision of the
Department, I recommend that the establishment, tools and p
might be waived.

The estimate with enclosures received from the Deputy Commis
is enclosed.

I have the nonor to be,

Sir,

your most obedient servant,

Report to accompany the revised estimate for supplying a car for the use of Sri Kalaseswaraswamy temple at Kalasa.

An estimate for R. 6000/- as submitted by Messrs. Chitragar Laxmiah and s was sanctioned in G.O.No.367-8/Muz55-24-2 dated 5-9-24. As the work was entrusted to this Department for execution, and as charges for establishment and tools and plant had not been provided in the above estimate, the enclosed revised estimate, making due provision for these charges is now prepared, which may kindly be sanctioned early.

Executive Engineer,
Kadur Division.

Recd with E.E's letter No. 6828 10.12.25.

Letter No.12169 dated 3rd March 1925 from the Chief Engineer of Mysore, Bangalore to the Muzrai Commissioner In Mysore, Bangalore.

With reference to your letter No.C.126/23-24 dated the 17th February 1925, calling for my opinion on the levy of usual Establishment and tool and Plant charges for the construction of car to the Sri Kalaseswara Swami Temple at Kalasa, I have the honor to inform you that from G.O.No. 367/Muz.55-4-2 dated the 5th September 1924 it is seen that the cost of the work is to come out of the funds at the credit of the institution.

As desired by the Deputy Commissioner, Kadur District, the Executive Engineer, Kadur Division has to supervise the work on the same conditions as laid down in paragraphes 2 & 3 of the G.O. referred to para supra. As the work has to be undertaken by the Public Works Department under the supervision of the Executive Engineer, the usual establishment, Tools and plant charges will have to be levied as per para (b) of G.O.No.1629/ 33/ Muz.128-23-8 dated the 8th May 1924.
